

## Fellow

(Hiring for Five Regions: Bucks/Montgomery; Southeastern PA Cities; Capital Region; Allegheny and Monroe/Northampton)

Part Time and Non-Exempt  
Reports to the Regional Organizing Director

### WHO WE ARE

The New Pennsylvania Project (NPP) was founded in May 2021 to expand Pennsylvania's electorate so it reflects the Commonwealth's demographically changing population. In the next four years, NPP will engage and empower young residents and those living in underrepresented and often neglected communities of color and immigrant communities. We will register them to vote, provide education about the issues that matter in their neighborhoods, and mobilize people to vote in every election - twice a year.

### POSITION - Fellow

The New Pennsylvania Project seeks passionate, energetic, and motivated professionals that will join our ground team for our fellowship program who will be responsible for voter education and engagement to diverse communities throughout Pennsylvania. Fellows are an important way that we maximize our voter contacts within a community. Fellows should be well-organized, self-motivated and work in a part-time position.

The ideal candidate will understand the importance of establishing lasting relationships with voters. Because our target communities and colleagues come from a wide range of backgrounds, applicants need to be able to thoughtfully navigate issues related to diversity, race, equity and inclusion, and bring a deep commitment to advancing these values.

### RESPONSIBILITIES

- Canvassing local areas in an effort to register Pennsylvanians to vote
- Engaging the community at local functions, such as tabling event and town halls as a representative of the New Pennsylvania Project with distinction
- Knowing and following all of Pennsylvania's voter registration laws and adhering to those rules at all times

- Ability to engage in thoughtful and respectful conversations with voters throughout Pennsylvania
- Incorporate deep canvassing tactics and principles into voter outreach
- Record and regularly sync data from the day's shift into our database using a smartphone and/or tablet
